

ZIRRUS FIBER INTERNET

Simply the Best Streaming Experience

Streaming TV Keeps Getting Better.

Streaming TV used to be limited to “on demand” services such as Netflix or Amazon Prime. Now, Streaming TV is everywhere. There are free Streaming platforms built into your TV, there are free TV Streaming services that provide hundreds of channels and thousands of movies, there are paid services that include local channels, and live TV and feature channel guides just like your current cable TV guide. Plus, Zirrus is happy to help you set it up and teach you how to use it!

- Streaming is where technology is going.
- Streaming allows homeowners to save up to \$1,000 or more annually
- We help homeowners. No other company does more.

See reverse side on how we help our customers stream.

How We Help You Stream

1

Zirrus website streaming tool

The Zirrus website has a streaming tv selection tool designed to help you decide which streaming package is right for you. Select your favorite channels, and our tool guides which packages or options best fit your streaming needs. To get started, visit www.zirrus.com/tv.

2

Store employees trained to assist

Having trouble getting started or just need some advice? Our team of trained streaming professionals are available to help you in any of our retail store locations. See a streaming demonstration, find the device that works best for you, decide your plan, and answer any streaming questions you may have.

3

In-home setup and training with our techs

Want to make the whole process seamless? We can do that too! Our technicians can schedule a time to come to your home and install your streaming service for you and even teach you how it works!

4

We provide you with streaming devices

Selecting the right streaming device can seem like a challenge, but our team of experts are trained to help you select the best streaming device to fit all your needs. We have a wide selection from Roku, Apple, Amazon, all the major brands.
